

In light of the Movement Control Order (MCO) and Conditional Movement Control Order (CMCO) announced by government, our dine-in service will be temporarily unavailable at MCO-affected areas until further notice. As always, we are ready to serve you wholesome meals via online delivery service, takeaway as well as drive thru. Kindly refer below for the temporary business hours of MCO and CMCO affected outlets:

As we prioritize our customers and staff's well-being and safety, health checks will be conducted before entering and social distancing will still be practiced.

We thank you for your understanding and continuous support.

**Please note that this list is subject to change without prior notice and that it will be updated from time to time.*
